Statement from Sen. Van Woerkom on Baldwin prison veto

LANSING – The following is a statement from Sen. Gerald Van Woerkom, R-Norton Shores, regarding the governor's line-item veto today of the Baldwin's Michigan Youth Correctional Facility:

"I am disappointed that after all the effort that went into finding money to keep the prison open that the governor still chose to veto it. It shows that she was never serious about saving money but rather interested in closing the prison all along."
